1) This will have to be taken up in connection with the question of constructing a building for the Municipality — If the present building where the Municipality is located is considered sufficient for the purpose of the Municipality then a new building for the Municipality may be constructed.

2) Quarters for the Municipality in a suitable place are absolutely necessary. Administrative sanction may be accorded for the same & provision may be made in the next year's budget.

leave to suggest that the

whether the conversion of the

However, this cannot be

Extract from letter No.R.O.C.322 of 1919-20 dated the 24th September 1919 of the Registrar, Chief Court of Mysore.

Adverting to your No.G.5531-80/G.M.22-19-2 dated the 3rd September 1919 forwarding Notes of Inspection of the Second Member of Council in the Malnad in May and June 1919 and calling for a report of progress in the disposal of subjects 109, 113 and 114 of the responsibility sheet, I am directed to state, that in regard to subject No.109, the Munsiff of Narsimharajapura reports in his No. 462 dated 16th June 1919 (copy enclosed) that much inconvenience would be felt if he has to vacate four rooms for the location of the Taluk Treasury, and the Judges consider that a separate building is ^{very} necessary for locating the Munsiff's Court. I am therefore to request that the Government may be pleased to accord their early sanction for the construction of a separate building for the Munsiff's Court as also of quarters for the Munsiff at Narasimharajapura.

COPY OF LETTER NO. 462 DATED 16th JUNE 1919 FROM THE MUNSIFF
OF NARASIMHARAJAPURA TO THE DISTRICT JUDGE OF SHIMOGA.

In the matter ending with the Deputy Commissioner's letter No.H.C.457 of 17-18 for providing accommodation for the new Taluk office at Narasimharajapura, copy of which is forwarded for favour of perusal, I have the honour to state that I can ^{up} with some inconvenience spare the four rooms marked M1 to M4 in the plan for the temporary use of the Taluk Office. In that case, the present Court-Hall will be rendered inconvenient for court work by the noise created in the verandah consequent on the location of the Treasury in the adjoining room. The rear verandah will have to be used as a court-hall temporarily until adequate accommodation is provided for either office. The Head Munshi and other clerks will have to be put together in the present court-hall, the room now used by the lawyers being converted into the process nazir's room. Should it be found possible to continue to hold court in the present hall, the Head Munshi and other clerks will have to be put into the rear verandah which will in any case, be enclosed by suitable walls with windows. Any way, we will be put to some trouble and inconvenience for some time, but I suppose it inevitable under the present circumstances, I have submitted the entire correspondence for favour of perusal and early order.
